ROLLED BARLEY AT THE
BUSY CORNER STORE.

Geo. Schenk of the Schenk
Bros. merchant tailor firm left
this morning accompanied by
his family. Mr. Schenk goes to
meet a representative of a big
New York clothing firm and
select stock for the fall and win-
ter trade. He will be absent
about ten days. Mrs. Schenk
and little son will remain in
Portland, later going to the
coast for the warm weather
period.

Mrs. Bert Cameron died March
4 at her home in Douglas county
from blood poisoning. She was
a sister to Mrs. Homer Reed of
this city and quite well known
to the people of Burns where she
formerly lived. Mr. Cameron
had the misfortune to lose his
hand some two years ago while
working with mining machinery
in Nevada. He had his leg
broken in January last and is
still unable to work. She leaves
beside the crippled husband a
young son.

O. S. Preston and C. W. Schu-
man were up from Weaver
Spring neighborhood this week
after supplies and more seed
grain. There will be a large area
seeded in that section this season
but Mr. Preston says not enough
yet as the patches are so scatter-
ing and far between, the rabbits
to will be a great drawback. If all
his neighbors would put in grain
the rabbits would have a larger
area to feed on and not be such
a noticeable pest. He will do
more or less experimenting this
season, having some fall grain
as well as spring seeding be-
sides he will try alfalfa and
other large plants together with
an acreage of root crops. Mr.
Preston intends to put rabbit
wire around about 50 acres. We
need more such farmers.

The death of Bert Cronin, men-
tion of which was made last is-
sue, was caused by cancer of the
lungs. The body was brought to
Ontario and buried by the Odd
Fellows of which deceased was a
member. Mr. Cronin was one of
the pioneers of this section hav-
ing lived here since the early
'80's. He was a man universally
liked and a valuable man to the
P. L. S. Co. for whom he had
worked for years. Mr. Cronin
leaves a wife and two children.
Mrs. Cronin is a sister to W. S.
and E. T. Haley of this county.
He is also survived by two broth-
ers, Charles, who is a foreman
for the P. L. S. Co. at White
Horse, and a younger brother on
Pine creek. His many friends in
this section express deep sorrow
at his untimely death and ex-
tend sympathy to the bereaved
relatives.

busy. He has a card in this is-
sue. See him when wanting

ing done.

NEW SILK WAISTS AT THE
BUSY CORNER STORE.

Tomorrow and next Sunday
will be the last times that the
Rev. Mr. Irwin will occupy the
pulpit of the Presbyterian church
here as pastor. He will preach
both morning and evening. No
doubt his many friends will at-
tend these services.

The Presbyterian Ladies Aid
served a splendid supper in the
banquet room of the Odd Fel-
lows building last evening from
5 to 8 o'clock. A large number
of people took advantage of it
and had a square meal.

face, two white hind feet, age 3
years, weight about 900, brand

creek place all winter. Owner

At a meeting of the stock-
holders of the Masonic Building
Association of Burns last Tues-
day H. C. Levens, J. L. Gault
Sam Mothershead, I. Schwartz,
and Wm. Miller were elected
directors. The directors elected
J. L. Gault, president; Wm.
Miller, vice-president; Sam
Mothershead, secretary-treasurer.

E. N. Nelson cut his foot quite
severely the other day while
chopping wood. The wound had
to be closed with several stitches.
This is unfortunate coming at a
season of the year that Mr. Nel-
son would like to be at work on
the farm. He must have been
thinking of the high price of
wood when he made the mislick.

"The Stubborn Motor Car"
presented last Saturday evening
under the management of Carl
Welker for the fire department
was enjoyed by a large crowd.
Local talent always makes good
in Burns and we should have
more such entertainments during
the winter months and long
evenings.

Dr. Griffith, Dr. Hibbard and
little son, J. M. Dalton, Tom
Sagers and Sam Mothershead
left this morning for the Alva
Springer home at the lake to
shoot for a day or two. The
roads did not look very promising
for an auto so the Doctor
thought best to try their luck
behind a couple of broncos
rather than chance the machine.

NEW RIBBONS AT THE
BUSY CORNER STORE.

Simon Freiman and bride, who
were married at Los Angeles on
Feb. 27, and who have since
been visiting various points of
interest in California, Oregon and
Washington, will arrive home
this evening. They are coming
by private conveyance and are
accompanied by Leon Frieman.
They will be at the home of Mr.
and Mrs. I. Schwartz for a short
time before going to the home-
stead.

Martin Buck is up from Lawen
hobnobbing with friends.

NEW HATS FOR MEN AT
THE BUSY CORNER STORE.

among his many friends in
Burns this week.

side points.

OUT OF TOWN TAYPAYERS

The Harney County National
Bank will be pleased to attend
to the payment of your taxes upon
receipt of your instructions.

Mrs. T. E. Hancock, of San
Francisco is enjoying a visit with
her parents, Mr. and Mrs. A. B.
Whitney in this city. She ex-
pects to remain for several
weeks.

Dorman Leonard fell on a stick
of wood last night and cut a
rather ugly gash in his lip, and
also cut his tongue, necessitating
several stitches to close the
wound.

Clay Clemens mill is the near-
est one to Burns where all kinds
of lumber both rough and dress-
ed can be had. Near Canyon
road. Call him by 'phone for
quick orders.

W. D. Huffman was in the city
the first of the week from his
home near Andrews. He says the
snow has all disappeared in his
section and he was anxious to
get back and go to plowing.

NEW FANCY GOODS AT
THE BUSY CORNER STORE.

The Smith & Swain well drill
has again ceased operations at
the Tom Sagers homestead. A
rock fell in on top of the drill
severing the cable and now they
must await the arrival of neces-
sary tools to "fish" the drill out.

The most common cause of in-
somnia is disorders of the
stomach. Chamberlain's Stom-
ach and Liver Tablets correct

Mr. and Mrs. J. O. Bunyard,
the old pioneer people, lost their
home on Cow creek last Sunday
by fire; the fire occurred during
their absence visiting the Drink-
water farm. It is not known
how the fire started.

Those who have been forced
to travel the roads the past week
have regretted it. The present
state of the weather, however,
is rapidly drying up the mud
holes, and in a short time the
roads will be reasonable tolerable.
—Blue Mt. Eagle.

A few friends spent last Tues-
day evening at the C. A. Sweek
home, it being the anniversary
of the marriage of Mr. and Mrs.
John Sweek. The latter are go-
ing to make their home in John
Day, Mrs. Sweek and the baby
leaving Wednesday morning, to
be followed by John at once.

Mrs. William Farre gave last
Tuesday afternoon to the enter-
tainment of a large company of
lady friends. Cards furnished
the diversion followed by a de-
lightful luncheon. The high
scores were made by Mrs. A. O.
Faulkner and Mrs. F. W. Wel-
come; Miss Van Valkenburg and
Mrs. J. W. Geary had the low
scores.

Since Bill Blott has started in
the chicken business it is useless
for us to urge others to engage
in the venture for he will simply
glut the market. If Bill succeeds
within fifty per cent of his pre-
sent anticipation poultry and eggs
will not have a market value in
these parts by fall. Bill is in a good
"chuck" Preacher Irwin driving
good bargain in giving him his
start and he simply must make
good. Bill has never had the
pleasure of sitting up nights with
the baby but at present he is put-
ting in his time with an incu-
bator. He is putting in time exper-
imenting with porcelain eggs
(it was intimated yesterday that
the white porcelain door knobs
along the street were disappear-
ing) with the idea of hatching
some good winter layers. He is
confident of success and his
friends encourage him.
